

FINANCIAL DIFFICULTY POLICY

Our commitment

We believe every young person should have the chance to take part in our inclusive sport, wellbeing sessions and programmes, regardless of their financial situation.

We know that circumstances can change, and we will always respond with respect, sensitivity, and privacy.

If you're finding it hard to pay, if fees become difficult – either temporarily or ongoing – please talk to one of our Directors, Tracy Light, Martina Hardy or Hannah Coote, as early as possible either in person, via contact@inclusiveunited.co.uk or call 07746 155110.

We will work with you to find a fair and manageable solution.

What we can offer:

Depending on your situation, options may include:

- Flexible payment plans
- Fee reductions
- Temporary or full waiver
- Additional time to pay
- Referral to community support services (if helpful)

There is no judgment for asking for help.

Our approach

We handle all requests individually, with care and dignity, and we will never exclude a young person from participation solely because a family is experiencing financial difficulty.

We work hard to try to find sponsors, corporate partners and funding to be able to keep our session fees to a minimum.

At Inclusive United CIC, we believe that everyone should have access to high quality sport activities with no barriers.
