

HEALTH AND SAFETY POLICY

Inclusive United Community Interest Company has a duty of care to all participants, volunteers, players, external partners, coaches and directors of Inclusive United.

Inclusive United accept that this is a duty imposed by law on all individuals and organisations to avoid carelessly causing injury to persons. We are committed to a safe environment for all clubs, volunteers, players, and external partners.

Inclusive United will promote good practice in health and safety within the surrounding environment and will ensure compliance with all relevant statutory provisions. We will ensure that suitable and sufficient risk assessments are carried out, that procedures and safe systems are implemented in accordance with all current statutory provisions and that all improvements will be sought through regular audits and reviews.

Inclusive United Community Interest Company Commitment

We will provide and maintain a healthy environment, at all times, and endeavour to ensure that safety and personal security considerations form an integral part of the way our organisation operates.

We will undertake regular, recorded risk assessment of our event facilities where our activities take place, create a safe environment by putting health and safety measures in place as identified by the risk assessments that satisfies health, safety and welfare requirements.

We will provide adequate training, information, instruction and supervision to enable all those involved with Inclusive United to perform their activities and events safely and efficiently.

We will ensure that all Inclusive United coaches, staff, third party suppliers, volunteers are competent in the activities they are engaged in so they are aware of the hazards and risk arising from their activities.

To safeguard the health, safety and well-being of our players who access our provisions and any member of the general public who can be affected by our activities. We will check that all equipment we use is suitable and fit for the purpose intended and properly maintained and used in a safe manner.
